# Main Products of TEC and SANTOMI

TEC/SANTOMI is a wire harness manufacturer with ISO9001, ISO14001, IATF16949, UL certifications. All of the harnesses we assemble meet strict customer specifications to ensure a perfect fit every time. Additionally, our harness production department complies strict internal quality assurance standards. All harnesses are 100% tested to ensure you receive 100% working pieces.

# Products

**Top Quality Is Our Goal:** It's not just the cost of a single piece that matters, it's also the quality and how much that will save you in the long run. Tomita Electric Corporation and Santomi factory at Tijuana Mexico take pride in building high quality and reliable interconnect solutions.

# Our Products are used for

## ● Refrigerators

## ● Automobile

# Management Policy

## **QUALITY: IATF16949, ISO 9001**

We will strive to satisfy our customers by in-depth application of “the principle that the customer comes first”, and the manufacture of reliable products in the most effective way offering “value-added products”.

Based on the following objectives for compliance:

- a. Timely delivery to the customer
- b. Achieve a decrease in raw material cost
- c. Reduction in customer complaints, keeping them at a maximum of 4 complaints per month
- d. Productivity increase every year
- e. Reduce the average adjustment of Set-up time of equipments
- f. Reduction of defects on production lines
- g. On-time delivery of equipment, instructions, assembly jigs, and electrical tests to Production Dpt.
- h. Computer operating systems and softwares updates
- i. Consolidate exports once a week
- j. Reduce staff turnover

## **ENVIRONMENTAL: ISO 14001**

SANTOMI S.A. de C.V., manufacture and assembly wire harness for automotive and other industries. Our policy is to ensure that our staff and visitors are safe, that we work in an environmentally friendly manner, and to extent possible, exceed our customers' expectations. Each year we set measurable goals and targets for our company, which are reviewed as part of our monthly management review process.

The purpose of these goals and targets is to ensure continual improvement:

- Aimed at the elimination of work related injuries and illnesses
- Reduce the consumption of sheets of paper
- Reduce our environmental impact by recycling boxes, waste from the wire process and controlling our emissions
- Proper handling, use and disposal of rags in work areas

# Certifications

## ISO9001 / IATF16949 / ISO14001 Certification (Accreditation Organization: BSI)

### Certificate of Registration

QUALITY MANAGEMENT SYSTEM - ISO 9001:2015

This is to certify that:

Tomita Electric Corporation  
Santoni S.A. de C.V.  
Calle Maquiladoras # 1276  
Col. Ciudad Industrial  
Tijuana  
Baja California  
22444  
Mexico

Holds Certificate No:

**FM 508352**

and operates a Quality Management System which complies with the requirements of ISO 9001:2015 for the following scope:

Manufacture and assembly of harnesses for the electronics and fiber optic industry in the Santoni plant.

For and on behalf of BSI:

Carlos Pitanga, Chief Operating Officer, Assurance – Americas

Original Registration Date: 2007-01-17  
Latest Revision Date: 2012-12-10

Effective Date: 2022-01-11  
Expiry Date: 2025-01-10
